

ELECTRIC LINES HAULER LH200

LH
200

Description

The electric lines hauler LH200 is the bestseller of Northlift. Aimed at leisure and small professional fishermen, it is ideal to retrieve lines and pots without effort. It works with lines and ropes of Ø4 to Ø10mm.

The lines hauler LH200 has a davit arm with an open pulley, stainless steel sheaves Ø320mm, a rope presser and an ejector knife. The hauling requires little help.

To ease its storage, the pulley attaches itself to the davit arm and the davit arm is also foldable.

Waterproof and strong built.

Technical characteristics

Tension: 12V CC

Absorbed power: 600W

Max consumption: 45 Ah

Max speed: 45m/min

Fishing traction: 90 kg

Dimensions : 90 x 65 x 30 cm

Weight: 18 kg

Provided with:

- Installation foot
- Electric plugs (male and female)
- ON/OFF/ON switch
- Bi-métal fuse
