

## ELECTRIC NETS HAULER NH200

**NH  
200**

### Description

The electric nets hauler NH200 from Northlift is used to retrieve nets without efforts. This hauler is used by leisure and small professional fishermen.

It handles all types of nets.

The electric nets hauler NH200 uses 2 drums to press onto the nets to ease the retrieval of the nets from the sea. You need to be behind the nets to avoid any problems.

The nets hauler is compact.

Waterproof and strongly built.
