

ELECTRIC NETS + POTS HAULER NLH200

Description

The electric nets and pots hauler NHL200 from Northlift is used to retrieve nets and pots without efforts. This hauler is used by leisure and small professional fishermen.

The NHL200 comes equipped with a net ball in addition to the trademark foldable hauling arm, free rotating lower axel and manual press wheel; eliminating the necessity of applying light pull on the rope.

It can be used with rope/ line Ø4 to 10 mm.

Waterproof and strongly built.
